Mr. Christian A. Farland
Southcoast Business Alliance
398 County Street
New Bedford, MA 02740-4936

Dear Mr. Farland: *Christian*

On behalf of the UMass Dartmouth community, please accept my sincerest thanks for Southcoast Business Alliance's recent pledge payment of \$6,500.00 to the SouthCoast Business Alliance Scholarship Endowment. We appreciate your continued support.

UMass Dartmouth is the university of choice for students seeking high-quality liberal arts, science, and professional academic programs. Through your generosity, our students are building a foundation for civic responsibility and acquiring the necessary skills to achieve future professional success.

There is an air of enthusiasm and excitement about just how much this campus is doing for its students and community. Our faculty is recognized for research initiatives; our students are commended for their academic achievements; and our athletes are competing and excelling on the playing fields.

Even with the great success that UMass Dartmouth has enjoyed, we still face challenges that cannot be overcome without support from our friends, like you. With a contribution to UMass Dartmouth, you choose to participate in the success of our future leaders and the improvement of our community. We appreciate your leadership in such a meaningful way. Should you need anything regarding the University, feel free to contact me directly at 508-999-8760.

Sincerely,

Tia

Thank you!
